

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
<p>Make flashcards, quizlet, or study guide. Create what you will study from for the rest of the week.</p>	<p>Start studying from what you made on Monday. If you have any questions, this is a good day to ask your teacher to make sure you are studying the correct information</p>	<p>Keep reviewing and studying! You can study with a group or play games like blooket and kahoot.</p>	<p>Now, try to study without using notes or anything to help you. Then you can know what you need to review the most.</p>	<p>You can take a day off or review anything you struggled with on Thursday!</p>	<p>Keep studying throughout the day; a good way to make sure you understand what you are studying is to teach it to a friend or family member! If you can explain clearly, that is a good sign</p>	<p>Quiz yourself or have someone quiz you to be sure you are prepared, then get lots of rest!</p>
